PREFACE

1998 Health Profiles are a series of 68 individual profiles – one for each county and one for the Commonwealth. The most recent information available was used. The major data source is the Division of Health Statistics. Additional sources include other program offices of the Department and the Pennsylvania State Data Center.

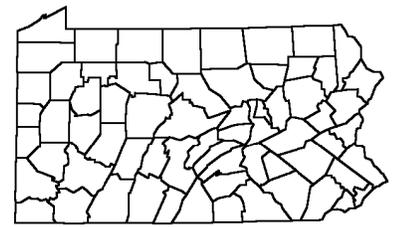

Comments and suggestions as to the content of the profiles are welcome. Please write the Division of Health Statistics, Pennsylvania Department of Health, 555 Walnut Street, 6th Floor, Harrisburg, PA 17101-1900; telephone 717-783-2548 or FAX 717-772-3258. You can also visit our website at www.health.state.pa.us to view additional health statistics and reports available from the Division.
